A pleasant affair with a serious purpose

Sometimes you Need Tough Love!

The Valentine's Day Rally is to demonstrate to the community that we care about our neighborhoods.

We are proud, good and friendly neighbors , with members of every stripe and description. Together, we are fighting the imposition of blight in the name of development, specifically **Value Place**.

Let us lovingly say on Valentine's Day that **Value Place** has **no place** in the **heart** of Oakland Park.

Happy Valentine's Day!
